**MERRIMACK, NH – (November 4, 2015)** - Eversource will be conducting maintenance work on the second set of powerline poles for an anchoring project in Horsehill Nature Preserve off Peaslee Road. This work is scheduled to begin tomorrow, Thursday, November 5<sup>th</sup>. **Please note this work is not associated with the proposed pipeline project** but is routine maintenance on the powerlines.

A map that shows the work area can be viewed on the Town's website at [www.merrimacknh.gov](http://www.merrimacknh.gov)
